IN THE LEAD

Both Track teams had victorious seasons with a SSL Championship for boys and an all time best record for girls.

With the Boy's Track Team losing only two meets in the past three years, the '89 and '90 seasons have proven to be the most victorious of the last seven years. With an overall record of seven wins, zero losses and one tie, W-H captured the S.S. League Championship along with co-champions, D-Y. In the S.S. League Meet, W-H dominated six out of ten field events. Making it to the states were Rob Clifford (6th in the 440) and Gary Waite (5th in the javelin).

The Girl's Track Team also had a very successful season with an all time best record of six wins and two losses. School record were broken by Michelle Osborne (440) and Stacey Georgilas (triple jump). The team had fifteen seniors who will be missed next year.

Both teams wish much luck and success to the '91 teams.

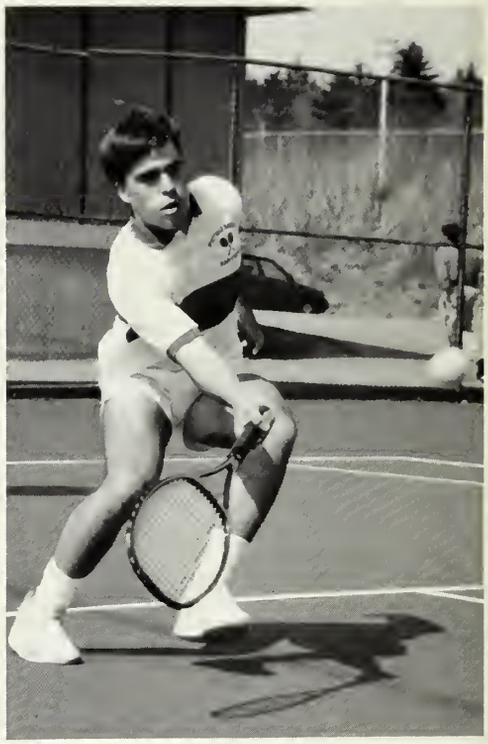
DOING OUR BEST

Both the Boys and Girls Tennis teams are back and on their way up!



The Whitman-Hanson Athletic Dept. has once again restarted Tennis — a sport that is both exciting and challenging. Although the Girls team had a more successful season than the Boys team, both showed an honest effort and are practicing up for an even better season next year.

"From our coneheads to Lee *Moonshine* Tuttle, the Girls Tennis team is anything but subtle," explains Karin Lindquist. "When we play out there our personalities show and it's obvious that we're all individuals. But our team spirit is apparent by our togetherness and fun that we have." Good luck to a great '91 season.

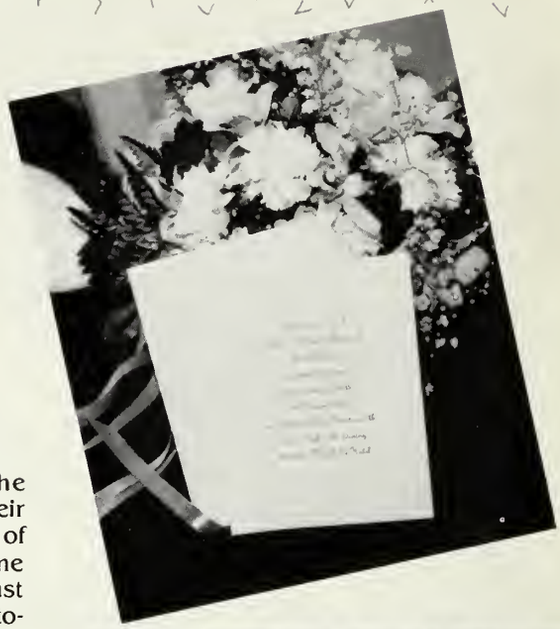
SENIOR PROM

"I REMEMBER YOU" . . .



Unfortunately, rain was the setting for the Senior Prom on May 29, 1990. The prom was held at the Sheraton in Mansfield, Mass. Even though it rained most of the evening, it did not stop the partying.

All the girls looked lovely in their long, colorful gowns and the boys looked just a nice in their tuxedos. It was a fine evening of dancing and having a great time since this would be one of the last times the class would all be together.

SENIOR BANQUET

On Monday night, June 4, 1990, the annual Senior Banquet was held at Ridder Country Club. As everyone arrived, they were presented with a souvenir mug with a Panther on the front. Everyone was nicely dressed and ready for fun. There was a DJ and people danced and talked and laughed. After the buffet dinner, the class officers showed a wonderfully designed slide show.

After the show, people danced some more. Everyone had a great time being together one last time before graduation.

AWARDS NIGHT

On June 6, 1990 the CSF 26th Annual Awards Night was held at Whitman Hanson. The Citizens Scholarship Foundation and area business and community groups awarded more than $110,000 in scholarships to 120 seniors from Whitman and Hanson.

CSF awarded silver Revere bowls to Whitman and Hanson seniors graduating in the top four of their class. The recipients were Mark Fish, Craig Coldwell, Kathleen Tannian and William Capocci. Also, twenty eight students were recognized with Presidential Academic Awards.

Many parents and friends were there also to share in the joy of the students who received scholarships and other awards.

GRADUATION

On Saturday, June 9, 1990, the Class of 1990 came together one last time. Four years of hard work, good times and sad times were over. No one will ever forget the two excellent speeches given by Valedictorian, Mark Fish and Salutatorian, Craig Coldwell. Everyone shared in the sadness of the three memoriams given by Sharon Lauricella, Nancy Purcell and Kristen Miller.

At last the moment everyone had been waiting for. The diplomas were finally handed. Afterwards, the Class of 1990 joined the Class of 1940 as they received Honorary Diplomas.

The final ceremony was the turning of the tassles led by Mark Fish. This signifies that the class is officially graduated.

"GREASE"

On May 16-19, 1990, the W-H Drama Club put on their production of "Grease". Like "Addict", a winter production that was for Seniors only, Barbara McDonald worked with the students to direct "Grease". Her daughter, Erin, a junior at W-H, was the choreographer of the production.

The play was double casted to give more students the opportunity to enhance their acting abilities. The casts included Mark Fish and Bob Larkin as Johnny and Tara Ware and Alison Dwyer as Sandy who were the leads in the play. "Grease" was an excellent exhibit of the talent and creativity that the W-H students have.

A lone figure walks along a deserted beach
Leaving a trail of footprints behind.
The incoming tide washes them away,

A flustered freshman opens the door
To his new homeroom.
He nervously glances at the faces
Of his soon-to-be classmates.
Several thoughts float through his mind.

An enthusiastic graduate looks over
His shoulder at the school
He leaves behind.
Tears suddenly well in his eyes.
Memories run past him in a blur;
He will never forget them.
Impressions.

As you look back on your life.
The things you remember the most
Are those that made an impression on you.
Whether they be happy or sad,
Positive or negative,
Optimistic or pessimistic,
They leave their mark.
May we all have the conviction and individuality
To leave a lasting impression on this world
As it leaves one on us.

In Dedication
to Our Friends and Classmates . . .

GEORGE MURRAY
April 28, 1972-June 10, 1989

OUR FRIEND

Times like these
Prove to be rough
When kisses and hugs
Just aren't enough

But memories of George
Will last forever
His love for Bill Walton
Forgotten — Never!

His everlasting smile
And bright red hair
Are close to our hearts
And will always be there

Although it may hurt
That he is gone
We know he's at peace
His soul will live on

So . . . until the day
When we meet again
We thank you George
For being our friend

PARKER W. BATES III

THE BOY NEXT DOOR

Those neighborhood games we used to play
All of us out there every day
You kicked the ball so far, so long,
The team you were on just couldn't go wrong.

I remember when you were so, so shy
Sometimes I'd get a small, quiet "Hi"
Then we got older, we talked some more,
Sitting on the steps by your front door.

We talked about school and what was new
Where we wanted to go, what we wanted to do.
You and Scott would play in the street
Days after school and in the long summer heat.

One day in a minute it all was gone
We all look back, it will hurt for so long.
But, Parker, we know that you will not be here
But we carry your memory close and near.

I know that you're watching from where you are
You're saying, "Don't cry, because I'm not far."
We always will miss you, it was our Senior year,
But your laugh and your smile will always be here.

DR. RAYMOND AVERY

TO THE CLASS OF 1990:

Commencement is often thought of as the end of high school. While it is that, it is by definition, the act of beginning. For each of you there will be many new and exciting opportunities, and many challenges to meet and overcome. I would encourage you to reach for the stars, believe in yourself, and venture forward to achieve your goals. Success is yours!

It is also important to keep in mind that all around us are people who need our help and kindness. In realizing your goals, never fail to reach out to others. Appreciate your teachers, your friends, and your parents. Be grateful that the opportunities you have had are the result of living in a country such as ours.

May you always think of your friends at Whitman-Hanson and return often.

Sincerely,

Raymond E. Avery

A MESSAGE FROM THE PRINCIPAL

Each year it surprises me how quickly the years fly by. You come to us from the Middle Schools, young, nervous, naive and noisy. By Thanksgiving week of your freshmen year you are already enthusiastically a part of the Whitman-Hanson traditions.

By Sophomore year there is a little more confidence in your step. Some of you have already made your presence felt in sports and school activities. Many of you have clearly demonstrated your commitment to academic excellence.

Junior year you are starting to feel a little cocky. You begin to dominate on the athletic fields and take a leadership role in some of the clubs and school activities.

Senior year you are the Leaders of the Pack. Everyone looks up to the Class of 1990! Without question you are leading and all others are following. You are doing your best to see that W-H traditions will carry on. In some instances, you are even starting a few of your own. Teachers, counselors, and parents (and some principals) worry that you won't get it all together so you'll be ready to step out and meet your future in June.

As you read this message, your years at W-H are almost behind you. We have done our best to prepare you for the years ahead. Please know that it has been our pleasure to work with you and that you go with our blessings and best wishes.

Best Wishes,

Geralde S. Buckley

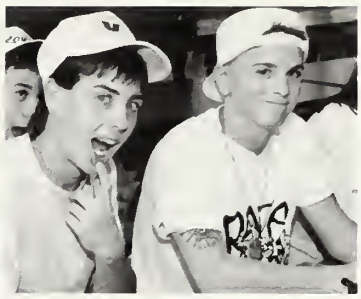
Seniors



1990 CLASS HISTORY

We're Seniors now,
Hmmph ... Egad!
Let's look back,
At the times we've had.

Freshman year,
Remember that far?
When we were just kids,
(Well ... we still are).

We were slightly insane,
A little bit "queer",
We got assigned seats,
And "Eddie Was Here".

Mark, Nance, Merry, Sha,
They led the gig,
We looked at the seniors,
And said, "They're big".

MacCormick who?
How soon we forget,
We went to the Freshman,
Senior Banquet.

Hall Decorating? Cough!
Our footballs were great,
Everyone laughed, but,
We thought, "Just wait ... "

Paper and bows,
Towels and dances,
Our treasury grew,
As well as finances.

Sophomore year came,
And with it Stephansky,
The Volleyballathon,
Was a kick in the pantsky.

Two officers - null,
Two officers - void,
And in to replace,
Was Leonard and Lloyd.

The devoted sold calendars,
Decorated our hall,
Against the teachers,
We played basketball.

A class trip? Oh sure,
"Myles Standish? How's that?"
We coughed, puked,
Gagged, and spat.

'Eighty-eight, 'eighty-nine,
Our fine Junior year,
Father Time led our hall,
To our victory there.

We sold M+m's
And carnations too,
Enter Capocci,
Vice-president new.

Bow ties and hairspray,
Semi's and proms,
The caf' and Christo's,
Echoed in song.

To Riverside we bused,
Rode the 'coaster with fear,
Like at Rocky Point,
Our Freshman year.

The final elections,
Crowned Sharon and Kellie,
Mark, Kathy, Bill,
And Nancy Purcelly.

"What? Senior pictures?
Are we really that old?"
Applications! Next year,
At college enrolled.

Goodbye, Brogioli,
Farewell, Mr. Colley,
Welcome Mr. Mac.,
To the Class of 1990.

The prom and semi,
We enjoyed again,
As well as Hall,
Decorating.

The chorus and band,
Went south in May,
Don't forget "Addict",
The Senior class play.

The V'B'athon.
For the third year straight,
Brought our class together,
As we stayed up late.

Yet, with all the fun,
That our class has had,
It's hard not to be,
Just a little bit sad.

We've been a family,
The past four years,
And breaking it up,
May cause us tears.

It's the last time we'll wear,
The red and black,
The last time our coats,
Say "Panthers" on back.

It's the last time slaughterball,
Precedes boys' show'rs,
The last time the roar,
Of the rallies is ours.

Left then before us -
In June, a bright day,
With tassel and diploma,
We each march away ...

Remember.

The Power of Youth

Children are the future
The future is now
There should be a limit
To what we allow.
We must band together
To open a door
To stop the threat
Of a nuclear war.
Youth has the power
To make this world free
by using education
To create harmony.

Amy McCarthy

The impressions these babies made . . .
The laughs and cries,
Happiness and sadness
Walks and talks,
Fun times and bad times,
Dreams and memories.

Looking back at these impressions,
Now as memories . . .
These babies have been touched by the joy
Their parents gave them from their upbringing,
Now the past will be the beginning of a new future.

1990 CLASS WILL

DAN ALBERT — I leave Lisa Keyes two years of enjoyable high school and to Steven and Susan I leave my pens.

REBECCA ALLEN — Mr. Cole may your future years in teaching bring you the students that you are forever striving to create through your ideas.

DAVE ANDREW — I leave all the freshmen 3 more years of fun at W-H.

DEREK AVERY — I leave to anyone who accepts the challenge of risking your life, to follow my path as an individual. Be yourself.

STEVE AYRE — I leave Brian the remains of the purple bug.

KIM BAKER — I leave Maureen to deal with the gym teachers calling her father for no reason.

AMY BALASCO — I leave Lori and Sandy one more year and to Anna I leave two. Make them the best cuz they go by too fast!

DORIS BEAN — to Devon Scott I leave two more years at W-H; enjoy them, good luck with the Beast. To Tim Clancy I leave one more year; good luck in the Army???

KEN BLECHER — I leave the Dennis-Yarmouth Cross Country team the second place jinx.

CHERI BERARD — I leave still 13 years of schooling to my three favorites: Stacy, Michael, and Brian. To Brian Pike I leave only 5 years to follow in your brothers' footsteps.

MELISSA BIANCHI — I leave my brother Mark, two more great years of high school. Good Luck!!

TIM BIAS — I leave 4 more years of no freedom to my brother Chris.

WENDI BIRT — I leave the sophomore girls two more great years here; my sister 5 more years of education, and my brother a diploma! Good luck!

KEITH BOGGIER — I leave my car to Wendi Ashmont. Hopefully she can get it on the road, Lord knows I can't.

HEATHER BOLTON — I leave any and all reports to the freshmen for years to come without any regrets ... and memories with LC, RB, CC, SS, BD and PL.

RACHAEL BONJOKIAN — I leave my locker to the freshman who is going to have it and all the tests in the near future.

NICOLE BORGES — I leave to the next exchange students the same good luck I had with my American family and friends.

CINDY BOUCHER — I leave all of my reports and homework to the underclassmen! Also all the memories with my friends!

JOE BRANNEN — I leave Gregg Constantino the quality of "madmanism" and anyone who has the guts to keep on the cheerleading tradition.

KERRY BROADFORD — I leave Mark McPherson two more years here! Make the best of it! I also leave Sharon Brown all the luck in the world for when you're a senior because Ryan will be here!!!

ANDREA BROOKS — I leave knowing that I've had the 4 best years of my life, I also leave Gregg C. one more year to live it up without his "beautiful" friends.

MATT BROWN — I leave another year of fun to all the stupid people that stay back. I leave Mr. Rodier all the punks.

HAUNTING IMPRESSIONS

OCTOBER 31, 1989

Annually, the WHRC radio station holds a contest for the best Halloween costume. This year showed that Whitman-Hanson has many creative students because there were many "haunting" costumes. But there was only one winner and WHRC chose Hollie McLaughlin, a junior who was dressed as a porcelain clown as the best costume.

Will you marry me?

We are MATURE seniors!

O.K. guys, where are we taking her?

Can you find the seniors in this picture?

Didn't they serve this yesterday for lunch?

IMPRESSIVE IMPRESSIONS?

FRESHMAN/SENIOR BANQUET

The Freshman-Senior Banquet provided the newcomers to the school with a chance to meet the experienced seniors. Everyone ate the fine cafeteria food together, seated in an alternating arrangement of Senior, Freshman, Senior, Freshman, etc. to insure mixing of the classes. Seniors and Freshmen alike participated in many unique games, where the subjects became a little bit threatening at times. By the end of the evening, new friendships had begun and acquaintances had been made. It was a time of laughter, embarrassment, and fun for everyone.

Baby if you love me, smile!

LEO!!!!!

What are we supposed to be doing up here?

C'mon guys, stop gawking, they're only freshmen!!

THANKSGIVING RALLY

Each class displayed their school spirit with decorations and thunderous noise during this year's rally. The classes traditionally compete against each other in various categories to demonstrate their school spirit. The winner included the Juniors for "Hall Decorating," the Day Care room for "Door Decorating," the Sophomores for "Spirit Links," and the Seniors for the "Loudest Display of School Spirit." For our entertainment, several amusing skits were performed mocking the coaches and players while the band, cheerleaders and majorettes performed their routines. Together, the school cheered the football team on to a Thanksgiving Day victory over the Green Wave of Abington.

TELLING OUR STORY

by Amy Driscoll

Whitman-Hanson has many artistic outlets for our student voice to be heard. All involve some form of expression through language and creativity.

The Newspaper club, led by Mr. Delaney, publishes five issues of the *New Panther* per year in which both the articles and the graphics are produced by the Macintosh computer. "The *New Panther* is an entirely student run production in which issues are written, typed, printed, and sold by the students," explains Assistant Editor, Amy Driscoll.

The Photography Club supplies the photographs for each issue of the *New Panther*, as well as entering photography competitions. Matt Elliot was selected for an Honorable Mention award from the Boston Globe Scholastic Art Award Competition, for a portrait of senior, Matt Brown.

The annual edition of *Retrospect* is put together by the Yearbook Staff who have been working diligently since the summer to produce the 1990 yearbook. The yearbook production is an enormous process which was put together mainly by a staff of a very few hard working students, led by Advisors, Mrs. Valeri and Mrs. Bergquist. "Ideally," Mrs. Valeri explains, "I would like to see much more involvement in the Newspaper and Yearbook staffs, as a wider range of interested students could better represent the student body at large."

WHRC, Whitman-Hanson's Radio Club, is heard from "High above the main office" each morning brought to you by Mr. Colburn and Adam Mitchell and Ken Snow. WHRC also supplies music for dances, does radio productions at Halloween and Christmas and sponsors schoolwide contests.

A SOUND PERFORMANCE

by Amy Driscoll

How do you turn a football halftime into a musical spectacle? What turns the chaos of backstage into a musical celebration? The Whitman-Hanson Music Department.

The Music Department performs this miracle every year, but it's not really a miracle, it's talented people.

The marching season combines the talents of the Band, Majorettes, and Color Guard to add music and color to football games and competitions. The marching season climaxed with the M.I.C.A. finals at Sullivan Stadium in Foxboro where they received a bronze medal.

The concert season began and it was time for the Band, Jazz Band, Chorus and Show Choir to combine their talents and shine. The Christmas Spectacular was their first time to share the stage, and it was a wonderful success!

The Music Department will be taking the Band, Chorus, Jazz Band, Show Choir, Majorettes, and Color Guard to Virginia to participate in the Music in the Parks Festival. They also will perform in a concert in the Old Post Office Square in Washington D.C., where they will once again combine their talents and surely impress the judges.

The last performance they will have is at the graduation of the class of 1990. At this performance they will say goodbye to the senior class and to the great friends they have made.

MAKING A DIFFERENCE

by Carrie Drass

At Whitman-Hanson there are several people who are trying to make the world a better place. These organizations are among the most popular in the school, doing their best to increase public awareness of various social problems with which we are faced today. These students realize that the more we work together, the more we can get accomplished.

SEAC, (Student Environmental Awareness Club), with over 300 members, is the ultimate group of brotherhood. Led by Mr. Bonaparte, they are striving towards such worthwhile causes as trash management and recycling, stopping the destruction of rain forests and Trick or Treating for UNICEF. Another group, that has merged with SEAC is Youth Ending Hunger. They are a world wide network of students making the end of hunger a personal, national, and global priority.

PROTECT (Peers Reaching Out to Educate Children Today) is a workshop that performs skits of what can result from alcohol and drug abuse. Group members feel they owe it all to Mr. Sweeney and Mrs. Demply for standing by them all the way.

Students Against Drunk Driving (SADD) are doing their best to educate the community about the dangers of drunk driving. "Tie one on" was the slogan used over the holiday season as SADD members gave out red ribbons for people to tie onto their cars.

In order to more effectively work side by side together in this world we need to communicate and better understand each other. AFS (American Field Services) is a club that offers a better understanding of other cultures by hosting and sending foreign exchange students from around the world. This year Whitman-Hanson has hosted Nicole Borges from Brazil, and Tonia Herrera from Honduras.

LEADING THE WAY

by Carrie Drass

Getting through your high school years can be an overwhelming experience and it helps to have some people lead the way for us by trying to build a better school community and atmosphere.

Student Government, led by Advisors, Mr. Resnick and Ms. Patterson, is not just a club. It is an organization linking student leaders with faculty and administration to voice student concerns and demonstrate school spirit. Officers, Sharon Lauricella, Kellie McLaughlin, Lisa Solari, and Tara Ware do their best to represent our school.

National Honor Society, led by Mr. Belden, sets an example for W-H as the student's high academic standings serve as an incentive to others to reach for the same academic goals. As an organization they occasionally participate in outside activities such as Christmas caroling for the elderly and making charitable donations to demonstrate their civic concerns.

This past fall, Mrs. MacDonald started rehearsals for the Senior Class Play, *Addict*. The show ran for two nights with an additional performance in school for the student body. The cast was made up almost entirely of seniors and will be a memory this class will not soon forget. As with any show, *Addict* had its ups and downs but, ultimately, it all came together well in the end. The play consisted of 10 to 12 monologues promoting a drug alcohol free school through dramatizations of what can happen to people as a result of substance abuse.

ACADEMIC INTERESTS

by Amy Driscoll

All clubs are hard work, but some involve work in academic areas. Students who are interested in these areas have gotten together to test their knowledge in the subject of their interests.

The Math club participates in monthly competitions with other area schools in which Whitman-Hanson usually shows a strong finish. Members may also compete in occasional mail-in competitions. When interviewed, John Cleary, a member of the Math Club said "the competitions are really a lot of fun. It's too bad that most people think of it as being a club for nerds. Most people would probably never realize what it's really like."

The History Club, comprised mainly of AP History students, participate in several competitions, field trips and conventions throughout the year. competitions include the Framingham Essay Contest and the Massachusetts State History Day Competition.

The Spanish Club participates in a few different fun activities including a piñata party, a taco and chili party, and an annual end of the year trip to El Torito.

The Economics club, a fairly new club at W-H, shows its members how economics can affect their daily lives. Speakers and guests come to expound upon the importance of Economics.

Computer Literacy is a club involved with the way of the future. Members have the opportunity to learn about different computers and share their knowledge and experiences. This club also participates in a nationwide trivia contest on computers.

All of these academically oriented clubs certainly enhance the member's educational experience but they also offer recreational pleasure to their members.

TASTE OF THE REAL WORLD

by Carrie Drass

Getting ready for the real world can be tough, but with a little help from the teachers at Whitman-Hanson it can be much easier. For years, the Practical Arts Department has been preparing students with technical, hands-on experience. D.E.C.A. and Building Construction are two such courses.

D.E.C.A., led by Mrs. Tinney, is a national organization which teaches students the responsibility of running a business. From inventory to pricing, students gain a great deal of valuable retail experience, and also participate in conventions and workshops.

Mr. Carlson's Building Construction group is another course which offers much practical, hands-on experience. Students spend three mods a day learning carpentry techniques and acquiring the necessary math skills. Learning the full responsibility of such a feat, each student actually builds his own entire house in scale model form!

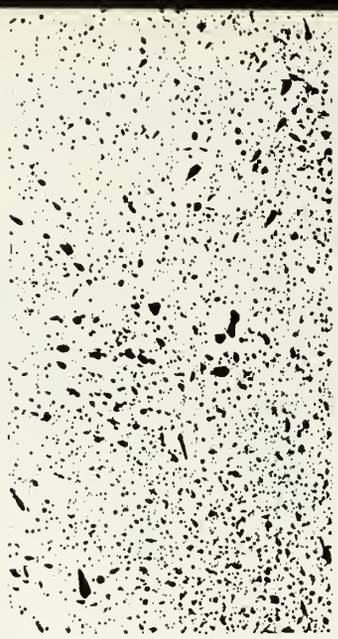
UPHOLDING THE TRADITION



Panthers capture their 6th consecutive South Shore League Championship title and go all the way to become the Division 4 Super Bowl Champions!

Football has had an outstanding year. Coach Bancroft and captains Keith Sweeney and Brian Cayon led the Panthers through a nearly undefeated season and a Super Bowl victory. The Panthers captured their 6th consecutive South Shore League Championship title, and established an even stronger winning tradition.

Tradition has always been an important part of W-H football, and one of the most highly regarded rituals is touching the nose of the Panther before each game. This tradition began after the death of former coach Dennis O'Brien. Prior to coming to W-H, Mr. O'Brien had attended Northeastern University where he would touch their husky for luck before games. As a W-H coach he expressed a desire to have a mascot which would incorporate the spirit of tradition. The Panthers wanted something to remember him by, so they erected a cast iron panther on the football field where it presently stands today. Rubbing the nose of the Panther, along with the player's other individual superstitions, is a source of good luck which certainly seems to have worked well for the team.

The players went through strenuous practices which even took place in the snow. But, the Panthers had many fun times regardless of weather conditions. The athletes participated in mud fights during stretches, and found themselves laughing with Matty LaBrecque as he instructed people to carry the soccer goal off of the field. Practicing at Boston University was also an enjoyable memory for the team.

The Super Bowl was the highlight of the season, in which Mike Casey set a record for yardage and the team set a record for the highest score in a Division 4 Super Bowl game. The score was 41-8, and it is something the Panthers will never forget. It was a very emotional day for the seniors on the team who played their last game with style. Despite the bad publicity and ignorance of the Holliston team, who were unaware of W-H's location, the Panthers were victorious. The game ball was given to Mr. O'Brien, the father of the former coach, and the champs came home.

Now, the season is over, and the major goal for W-H has been achieved. The Panthers have only one thing left to do — figure out just where Holliston is. Senior stars Mike Casey, Jon Rzasa, Brian Cayon, Keith Sweeney, and Herb Devine among others wish luck to next years team which will be led by captains-to-be, Rob Clifford and Kirk Lincoln. The Panthers will be losing many good seniors, but optimism for the upcoming team remains.

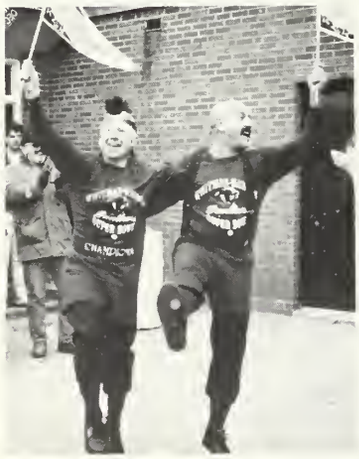
DIVISION 4
SUPER BOWL CHAMPS

by Mark Fish

TACKLE

Gregg Costantino drives the Holliston quarterback to the turf.



GOING WILD!

Favorite fans, Ron Thomas and John Keyes at Super Bowl celebration.

Twas a season near passed:
Nine wins and one fall,
South Shore League champs,
With no need to bawl.

All goals had been reached:
We won our first game,
We won more than lost
And champs we became.

What more could we want?
Dennis-Yarmouth again?
Or a Super Bowl berth
Against Holliston?

Well the past had passed,
No rematch for us,
But en route to BU
Was the team's magic bus.

With Slaney and Palmer,
The apples were free;
The coaches read papers,
And watched the city.

Turf and turf shoes!
A boy's dream come true;
Who cares if we were
The underdogs, too.

The Jivvers wore thermals,
The band was real cold;
To W-H fans,
Most tickets were sold.

The cheerleaders cheered,
Marcus played the trombone;
The mafia yelled
With its loud megaphone.

NESN was there
And every news station;
The stadium hummed
In anticipation.

At last, the kick off!
By the foot of Ricco;
Us guys from "the cape"
Were ready to go.

After the first quarter,
There was no score;
A close game? Yeah!
It would be no more.

Doug B. in the second,
Scored twice for 12 points;
And ol' Max did once,
Despite his sore groin.

Gregga hit Carroll:
A safety for two;
Kelley kicked one
(Without changing shoes!)

Halftime was moving,
Coach B. shed a tear;
The next half was better
With victory near.

A touchdown for Rob,
Another for Doug;
In the endzone
Jeff C. hit the rug.

Big rushes by Quersh,
And Mike Casey, too.
And Sweeney's big catch
Brought us to the two.

Big Ronnie Scott
Recovered two balls;
And bashful O'B
Was cut in a fall.

The second team played,
Matty had fun;
Danny "Murph" Murphy
Kicked in the last one.

Ten ... nine ... eight ...
Seven ... six ... five ...
Four ... three ... two ...
One ... goodbye!

The game was over!
Whitman-Hanson had won;
The Holliston Panthers
Lost eight - forty-one.

The fans went crazy,
Strangers embraced;
Wide grins were found,
On everyone's face.

Neither rings nor banquets,
Jackets nor praise;
Could match the glory
We felt on that day.

KICKING UP A STORM

Girls Varsity Soccer finishes strong with 13 shutouts and their 3rd consecutive trip to the State Tournament.

The 1989 Girls Varsity Soccer team had another great season in the SSL with a record of 15-1-2. This record allowed the team to make the State Tournament for the 3rd year in a row. The girls played 18 games in which 13 of them were shutouts. The offense scored 67 points against their opponents, and the defense only allowed 6 goals to slip by them. Headed by Coach Glenn Ward, the girls worked hard at practice everyday, and displayed their strength as they developed as a team. The girls showed their appreciation to "Glenn" by decorating (toilet papering) his yard for him one night. "It's not over yet!"; the girls say, because they intend on doing some further toilet papering! Assistant Coach Bonnie, showed her appreciation to "Glenn" by the many sexy dances she did for him on the bus rides to away game. "Bonnie, make your run," the girls yell from the back of the bus as she starts to approach "Glenn." Jeanette Smith was awarded the MVP for her outstanding performance as goalie in which she assisted the team to set a shutout record of 13 games. Sherri Thorp received the 12th player award, an award given to the player who did above and beyond what was expected of her. Michelle "Ozzie" Osborne received the most improved for her excellent progress. W-H had four players named to the SSL All-Star team this year. The players included Michelle Hogan, Kara Bishop, Nancy Purcell, and Jeanette Smith. Kara Bishop was further honored to be named in the 2nd team for the League. The Seniors would like to thank the coaches for a fun and exciting year, and to wish next year's team the best of luck.

BEST SEASON EVER

Boys Soccer gains in enthusiasm as tough efforts pay off with strongest finish yet, qualifying for the Division I State Tournament.

The Panther Boy's Soccer team accomplished many of their pre-season goals this year. They had their best season ever with a record of 10 wins, 7 losses, and 2 ties, and finishing fourth in the South Shore League. They also qualified for the Division I State Tournament for the first time in the history of the program. South Shore League All-Star honors were achieved by Junior tri-captain, Bill Mortimer, and Senior, Steve Newcomb. Sophomore, Brian DeSasntes, was named this year's team MVP and was also named co-captain along with Bill Mortimer for next year. Sophomore, Brian Farrell, was their leading goal scorer, netting 13 goals. Senior tri-captain goalkeeper, Chris Piccuito, set a new school record with 9 shut-outs.

"We started our season strong, winning our first three games," explain captains, Chris, Jon, and Bill. "Our fourth game of the season we lost 3-0 against our rival, Scituate. Our best game of the year was our re-match against Scituate at home under the lights. We came out on top 1-0, beating Scituate for the first time in three years. This game also marked Chris Piccuito's record eighth shut-out. Our season came down to the last game of the regular season versus Coach Barrington's old school, Pittsfield. We needed a win or a tie to qualify for the State Tournament. Late in the second half, Sophomore Bill Mortimer scored on a penalty shot to put us up 1-0. Pittsfield scored with two minutes remaining in the game. We held on to the tie and qualified for the first time ever."

The team would like to thank Coach Donahue for taking over the team and helping them achieve their best season ever. The team would also like to thank Coach Barrington for supporting them when he could make it to the games. "The Seniors especially thank you for being our coach and we wish you many healthy and happy seasons to come. Good luck!," say captains Chris, Jon, and Bill.

MILES AHEAD

Both Girls and Boys Cross Country

The Boys' and Girls' Cross Country teams both had successful 1989 seasons. The 1989 Boys' Cross Country team ended the decade with several team and individual honors. Early in the season at the Apponequet Invitational, the team convincingly captured first place. In this meet, Mike Slaney was the first place finisher overall and was closely followed by Greg Ward (2nd).

In more local competitions, the Panthers won the South Shore League meet led by Greg Ward (2nd), and Mike Slaney (3rd). After the team placed a disappointing fourth at the South Shore Principals Meet, the Panther's bounced back to clinch a second place in Easton, MA.

The 1989 season was not only successful, but also enjoyable, with events such as the first annual Power Socks Day in Randolph and D-Y Bandana Day. According to Co-Captains, Mike Slaney, Paul Valle, and Greg Ward, a milestone that made the season a memorable one was Coach Black surpassing the 100 victory mark in his twelfth season.

At the end of the year banquet, the following awards were given out: Mike Slaney - MVP, Most Improved - Marc Vigneau, Runner of the Year - Ken Belcher, and Coaches Award - Rich Wisnaskas and Greg Ward. Following this, Greg Ward and Mike Slaney were named to the Patriot Ledger All-Scholastic Team and Greg Ward was elected to the Boston Herald and Globe All-Scholastic Teams. The captains of the team would like to dedicate this successful season to the memory of Parker Bates and the recovery of Bill McGough, both friends to many of the team members.

The Girls' Cross Country Team started their 1989 season with four straight victories, but then suffered an unexpected defeat to Norwell. Although losing to Dennis-Yarmouth, the girls considered this dual meet a victory because they defeated Duxbury, their closest rival, for the first time in five years. They finished their last dual meet with one more victory for a season record of 9-2. As a team they placed 3rd in the varsity All-League meet, and 5th in the S.S. Principals.

The Girls' Cross Country Team had many serious moments, but fun ones too. Stacy Georgilas won the most embarrassing moment when she lost her bra during the Norwell meet. The funniest experience was demolishing Loreen on freshman day, and the proudest was watching Amy Hodges run in the all-state meet at Gardner this year. Amy was also a South Shore League all-star and was named to the Patriot Ledger All-Scholastic Team.

This year's individual awards are as follows: Coaches Award: Heather Devlin, Most Improved: Dawn Chase, Most Valuable: Susan Grindle, Outstanding Runner: Amy Hodges.

The Girls' Cross Country Team had a very successful season this year. They will miss the "mystery runs", Speed, Lap-a-thons, and picnics, but most of all they will miss Mr. Newcomb and Miss Moss. The girls thank you for all of your support.

HIGH HOPES

A year of new goals, new traditions, and new uniforms results in victory and a season to be proud of.

Going into the season the goal of the Girls' Varsity team was to win as many games as possible as a tightly knit team. They were given new practice gear, new uniforms, and most importantly, two assistant varsity coaches. They started new traditions, had dinner together on the nights of home games, and becoming even better friends. "Our harmony and friendship off the court, carried into our games," said co-captain, Gloria Langer.

The team began the season on a winning streak of nine games, which gave them the first place trophy from their Christmas tournament, for the second year in a row. One month later, they faced Rockland, here at W-H. With a 68-46 victory, they clinched themselves a spot in the state tournament. This was a feat which has not been accomplished a by W-H girls basketball team in a few years.

This was a season that proved to others, as well themselves, that they had what it took to win. It was a season that proved that working hard and having fun simultaneously would result in victory; it was a season that the team can always be proud of.

The Seniors would like to thank the underclassmen for making their last season the best and most memorable one possible. They will always be proud of this year's season and proud of everyone for their individual accomplishments. Most of all, the seniors want to wish those they're leaving behind a great season next year and the best of luck always.

Many thanks are extended to Mr. Daley for all of his hard work, help, encouragement, and dedication, as well as to the new assistants who reinforced the team's goals and encouraged them to play their best.

TO THE HOOP

With the strongest start in years, the consistent efforts of the players made each game worth watching.

The Boys Varsity Basketball team started the 1989-90 season with an amazing six wins and no losses. This record came as a shock to the school and community after winning only seven games over the past two years.

Perhaps, the teams improvement was due in part to the excellent coaching of Mr. Bill Sweeney. Mr. Sweeney began coaching the team this season and has worked the team tremendously hard ever since. "The practices consist of the faithful cry of 'fresh legs' and begging for mercy for the coach to stop running us," says Keith Sweeney. Rob Clifford made an effort to do his best at every practice while Bill Mortimer could be heard in the background.

The highlights of the season thus far include: Herb Devine finally dunking a ball after 1,000 attempts, Joe O'Brien's incredible shooting from underneath the basket, Jeff Ross' three pointer and Brendan Hamrahan's ability to shoot while falling down.

Panther basketball team members also managed to have some laughs and good times off the court. Leo Arsenault won the "Eddie Munster look-alike" contest while Joe O'Brien and Keith Leonard were busy beating each other up. The boys enjoyed listening to the stories of John Falcone and Bill Galo on the ride from Lincoln-Sudbury, although listening to Christmas carols on the bus was equally as memorable.

The consistent efforts of the players made each game worth watching. The efforts and ability of Keith Sweeney throughout the season were especially noteworthy.

The Seniors wish luck to next year's team, which will hopefully improve.

MAKING THE WEIGHT

Facing a year of rebuilding and strengthening, Panther wrestlers are still hanging tough with several impressive placements in invitationals.

This year's varsity team, has worked harder than any other Panther team in past years. Due to the loss of many talented seniors, this year's team faced a time of rebuilding and strengthening. With only four starters returning, the Panthers realized that they had much work ahead of them. Yet the athletes remained optimistic about the season.

The wrestling team's record over the past five years in the South Shore League, is 43-3. The Panther's three losses were to Rockland, who would eventually become the South Shore League Champs. In those five years, The Panthers have managed to capture two championships as well as a sectional championship.

This year's team has had several exciting placements in the Invitationals in which they have participated. Co-captains, Jason Dineen and Steven Newcomb, took 1st place honors in the Framingham Invitational Tournament and co-captains, Brian Cayon and Jason Dineen each won a 1st place in the Wellsley Invitationals. Among other team members who placed in the Invitationals were Dave Armstrong, Brian Desantes, Matt Krebbs, and Rick Tilden.

The wrestling team has a very unique tradition in which both the team members and the coach participate. R.I.P. tombstones are presented to players from Coach Gay for beating individual opponents while team members present one to the coach in case of a meet victory. Hopefully, many more tombstones will be awarded to the Panthers in future seasons.

TURNING IT AROUND

With Coach O'Connor came morning practices and more wins for a more disciplined team as they turned an upsetting record into a respectable one.

When Mr. O'Connor began coaching W-H's hockey team two years ago, the team was in dire straits. The Panthers had an overwhelming losing streak prior to his arrival. With Mr. O'Connor came morning practices and more wins for a more disciplined team.

Last year's team qualified for the State tournament for the first time since 1971; and the 1989-90 edition of the hockey team looked as if they would pull through for a second year. However, losing their first four games and going 2-7 in their first nine games extinguished any hopes of a SSL title and a return trip to the Tournament. Immediately after losing the seventh game of the season, an embarrassing 10-6 loss to Hull, the Panthers did some soul-searching in two closed meetings. Those meetings, and a lot of hard work, helped turn the team, and the season, around. The Panthers went 4-1-1 in their next six games and in the process turned what was shaping up to be a disastrous season into a respectable one.

On Jan. 31, Matt Brown scored his fourth hat trick of the season against Cohasset, which gave him W-H's all-time scoring record. Matt picked his 95th and 96th career points, surpassing Rich Manning's record of 94 points. Matt Elliott closed in on Rich Manning's single season assist record; and Junior Joe Boss had another great season, putting him in a position to surpass Matt Brown's record.

The goal tenders began the season with little experience, and it showed as opponents were scoring one goal on every four shots. However, as the season progressed, the goalies gained experience and played a major role in the team's turn around. Sean Ready logged most of the playing time, but Jeff Cormier and Keith Ward were ready when called upon.

ON THE RIGHT TRACK

Boys Indoor Track has best season yet, capturing first time ever League Championship. Girls individual talents improve over season as they work toward a tougher spring performance.

The 1989-90 Indoor Track season brought many different forms of success to the teams. According to co-captains Mike Slaney, Greg Ward and John Wagner, the Boys Track team has been the most successful team in Panther history. They captured the league championship for the first time ever.

Although the girl's team was not very successful in team scoring many members have improved individually. This season's team was comprised of only a few members of dedicated athletes who also see the winter track season as an opportunity to get in even better shape for a top spring season performance.

Some personal bests were achieved by Stephanie Carroll, Missy Ryan, Kathy Taylor and Amy Hodges. According to co-captains, Chrissy Buckley and Sue Grindle, among the girl's most memorable events was "the bump" while their quote of the season was "Mrs. Slaney, go back!" The boys memories included being engaged in armory expeditions and snowball fights.

The teams would like to thank their coaches for all their help and hard work. The girl's would like to wish good luck to the team in the future years and the boys would like to congratulate Coach Miranda and the team for a great year.

WE'VE GOT THE SPIRIT

A prominent part of fall and winter sports are the cheerleaders who do their best to inspire the crowds.

Whitman-Hanson Cheerleading represents the spirit of the school. When a team is doing a poor job, it was time for the cheerleaders to chant even louder. They never give up on the team and keep up hopes long after the fans have given up. The Football cheerleaders saw the Panthers go to the Super Bowl and their hearts kept warm with Panther victory-as well as their throats being hoarse for days afterwards!

The Hockey Cheerleaders had the chill of the cold rinks, Jenn's pep talks, Jeff's ride, and Mary Ellen's dance to remember.

Basketball cheerleaders had anxieties when the team came a basket or two short of victory on several occasions. The trip to D'Angelo's and singing carols on the bus were also great memories. The seniors wish lots of luck to the upcoming squads.
